Re: Broidy et al. v. Global Risk Advisors et al., 19-cv-11861

Dear Judge Vyskocil:

Pursuant to this Court's Individual Rules of Practice in Civil Cases and the October 11, 2022 Scheduling Order (ECF No. 148), Plaintiffs and non-party Gibson, Dunn & Crutcher LLP ("Gibson Dunn") jointly respectfully request that the briefing schedule for Plaintiffs' motion for an award of attorneys' fees set in the October 20, 2022 Order (ECF No. 150) be extended by two weeks as follows:

	Existing Schedule	Proposed Schedule
Motion	November 4, 2022	November 18, 2022
Opposition	November 28, 2022	December 9, 2022
Reply	December 12, 2022	December 23, 2022

Plaintiffs and Gibson Dunn request this modest extension to facilitate ongoing discussions regarding a resolution of the issue, which would obviate the need for motion practice. This is the second request for an extension of the schedule for this motion. The Court granted the first joint request for an extension on October 20, 2022 (ECF No. 150).

We thank the Court for its consideration of this request.

Granted. SO ORDERED.
